Storage Carton Box

It is understandable that particularly in a company, amount of files could be massive and if without proper arrangement and storage, it will be kind a troublesome when there's a need to find back certain files. Hence, **TTF Storage Carton Box** with 2 sizes best cater and resolve such problem as the files are stored neatly in different boxes based on types of documents. In other words, it helps in 'segregating' and 'categorizing' files for easier storing and taking of files needed. With this, the working productivity could possibly achieved with minimal time wastage.
